Čast nam je i zadovoljstvo što Centar za kulturu i informacije Maksimir i ove godine ima priliku biti organizator 15. Međunarodnog zagrebačkog salona auto-karikature koji je okupio 296 karikaturista iz 56 zemalja koji su prijavili čak 497 karikatura. Kao organizatora nas posebno veseli što su se neke zemlje prvi put prijavile na sudjelovanje što svjedoči kako je tema „Autostopiranje“ očito bila pun pogodak.

U ova nesigurna vremena kad se cijeli svijet suočava s brojnim strahovima i problemima, svima nam treba malo humora, a brojni karikaturisti iz cijelog svijeta i ove su godine dokazali da je smijeh zaista najbolji lijek, koliko god to možda otrcano zvučalo. Automobilske karikature i ove su godine prožete britkim humorom i situacijskom ironijom koje će vas potaknuti na razmišljanje, ali će vam jednako tako izmamiti osmijeh na lica i nasmijati vas do suza. Koliko se svijet promijenio u samo dvije godine najbolje svjedoče ove karikature pred vama jer se kroz njih velikim dijelom provlači tema još uvijek aktualne pandemije koronavirusa, ali i novi rat na europskom tlu te scene s bojišta za koje smo se nadali kako ih više nikada nećemo morati gledati. Autostoperski palac gore svim sudionicima, čestitke pobjednicima te veliko hvala članovima žirija pred kojima je bio nimalo jednostavan zadatak.

Posebno hvala Gradskom uredu za kulturu, međugradsku i međunarodnu suradnju i civilno društvo na pruženoj podršci. I ove se godine pokazalo da su teme vezane za svijet automobila i doživljaja u prometu doista neiscrpan izvor nadahnuća pa tako sa sigurnošću mogu reći doviđenja do idućeg susreta, do nadolazećeg 16. Međunarodnog zagrebačkog salona auto-karikature.

Ravnatelj CKI Maksimir
Goran Jerković

It is our great honour and pleasure that we are once again organising 15. International salon of car caricatures in Zagreb. This year Salon brought together 296 cartoonists from 56 countries who submitted as many as 497 cartoons. As organizers, we are especially pleased that some countries have applied for the first time, which testifies to the fact that the topic of "Hitchhiking" was obviously a hit. In these uncertain times when the whole world is facing so many fears and problems, we all need a little humour, and so many cartoonists from all over the world have proved that laughter really is the best medicine. Caricatures submitted this year are full of sharp humour and situational irony that will make you think, but also bring a smile to your face and make you cry from laughter. There is no doubt that the world has changed immensely in these past two years. These cartoons in front of you are also witnesses to these unstable times because many authors decided to deal with the subject of the still current coronavirus pandemic, but also a new war on European soil and battlefield scenes that we hoped we would never have to see again. One big hitchhiker's thumb up to all the participants, congratulations to the winners and a big thank you to the members of the jury who had a difficult task ahead of them.

A special thanks goes to the City Office for Culture, International Relations and Civil Society for their support. Once again it turned out that the topics related to the world of cars and traffic experiences are truly an inexhaustible source of inspiration, so I can with certainty say that we will see each other again, at the upcoming 16th Zagreb International Caricature Salon.
